

Pave it Forward: Leave Your Legacy at Memorial Field

Become part of history and pave the way for the future of Memorial Field. Purchase and inscribe a brick on the west-side walkway to Memorial Field along Fraser Street. Donations to *Pave it Forward* will fund future improvements to Memorial Field.

Memorial Field, the 4,000-seat outdoor venue for State College Area School District Athletics, has been home to wins and to losses, to triumph and to heartache, and most importantly, to unforgettable moments that have shaped the lives of countless young people. These moments have centered on unparalleled teamwork, personal accomplishment, overcoming adversity, and more as State College students have competed in athletics and gathered for graduation and other significant events on their home field. Memorial Field has also been a key venue for community events like Arts Festival, parades and other activities.

Dedicated to the memory of State High graduates who gave their lives in World Wars I and II, and rededicated to honor all those fallen in wars since, Memorial Field serves not just as an athletic complex, but as a community gathering place where neighbors and friends come together to support the students of State College. Currently home to football, soccer, field hockey, and lacrosse, Memorial Field was constructed during the Great Depression as a Works Progress Administration project and remains situated in the heart of the Borough of State College.

Now you can become part of the permanent history of Memorial Field with a personalized, engraved brick on the west-side walkway leading to the field. Simply complete the form below and return it to the address listed with a one-time payment of \$250. The brick campaign is open to individuals, families and businesses, and will serve as a true, permanent reminder of the strong community that supports the State College Area School District and its students.

Your legacy can live forever at Memorial Field. Pave it Forward!
